DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-2 are rejected under 35 U.S.C. 102(b) as being anticipated by Moriya' 164 or '472.

See Moriya' 164 Abstract, column 1, lines 20-35, column 1, bottom to column 2, line 15, column 2, lines 24-37 and 47-68, column 3, lines 1-35, column 4, bottom to column 4, line 32, column 5, lines 48-65, claims.

See Moriya' 472 Abstract, column 1, lines 10-42, column 2, lines 1-20 and 50-68, column 3, lines 1-10, column 5, lines 32-52 and claims.

The amendments and remarks filled by Applicants in their last response have been fully considered. The arguments have not been persuasive. Claims remain unpatentable in view of the above rejections. The examiner believes that the rejections are still proper and are maintained.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
